About Starlight Services Inc.

Starlight Services Incorporated (SSI) is an **SBA certified HUBZone**, and **Woman-Owned Small Business** concern with extensive experience in contracting with the U.S. Government. SSI was founded in 2004 to broaden the range of services offered by its affiliate, Starlight Corporation, while also providing an alternative set-aside option for government agencies and prime contractors. Our moderate growth strategy is to build an enduring company by delivering **Total Customer Satisfaction** in every project that we undertake.

SSI Expertise

Aviation Maintenance Support

Support of Organizational and Intermediate Maintenance (O/I-Level) for Fixed and Rotary Winged Aircraft including: Interior/Exterior Cleaning, Towing, Lubrication, Depaneling for Home Stationed and Phased Isochronal (ISO) maintenance inspections, Anti-Skid Removal/Replacement, Cleaning and Paint Preparation of Aerospace Ground Equipment (AGE), Technical Order Library Management and Lavatory/Potable Water Services.

Airfield Management

Support of all Airfield and related Base Operations including: Airfield Inspections, Runway Surface Condition (RSC) Testing and response management, Flight Planning and Notice to Airmen (NOTAM) services support, Passenger Arrival Processing, Emergency and Disaster Response, FOD and Bird Aircraft Strike Hazard (BASH) management.

Logistics Support

Supply-Chain and Regional Fleet Transportation services including daily scheduled, and expedited Courier Service and secure transportation of: Maintenance Equipment, Aircraft Parts, Tools, Test Equipment, Flight Equipment, Aerospace Ground Support Equipment (AGE) and other Government Owned Equipment.

Facility Services

Maintaining the appearance and proper function of Government Owned Facilities including: Vacuuming, Mopping, Restocking Consumables, Deicing Walkways, Initiating Maintenance Requests, in addition to Commercial Janitorial Services.

Why We Are Different

SSI offers an ideal blend of big business experience and technical depth, with small business efficiency and tenacious cost control. With seasoned executive leadership, sound management and an extensive network of technical resources, industry partners and satisfied customers, we focus on achieving sustainable results from every project. We continually invest in the best talent available, and foster a culture of rigorous process control and continual improvement. Understanding, promoting and delivering quality services is the strength and basis of our growth.
